MEN'S LEAGUE RULES

- **Gold Tees:** Any Golfer that is 70 years old or will turn 70 during the current season may use the gold tees. However, if you choose to move forward you must stay at the gold tees for the entire league season.
- **Long Grass Areas:** 1. If a ball is lost in a long grass area, a golfer may drop 2 club lengths no closer to the hole at the point of entry and take a 1 stroke penalty. 2. If a ball is in a long grass area, a player may take the ball out of the long grass and drop 2 club lengths no closer to the hole at the point of entry and take a 1 stroke penalty. 3. A player may play from the long grass area and may ground their club.
- **Winter Rules:** We will define winter rules as the ability to move the ball with your clubface, no more than 6 inches, not closer to the hole. This is to improve your lie not to improve your situation. You may use winter rules in the rough, fairway and long grass areas.
- **Red Staked Areas:** 1. You may play the ball but not ground your club or bump the ball with your club. 2. You may take a 1 stroke penalty and re-hit from the spot that you last played. 3. You may take a 1 stroke penalty and line up the spot where the ball last crossed the hazard with the flag and back up as far as you want. 4. You may take a 1 stroke penalty and drop within 2 club lengths from where the ball last crossed the hazard. 5. You may take a 1 stroke penalty and drop within 2 club lengths from a point on the opposite side of the hazard.
- **Yellow Staked Areas:** Same as 1, 2 and 3 for Red Staked Areas.
- **Lost Ball:** If a ball is lost not in a hazard or a long grass area you must re-hit from where you last played and take a 1 stroke penalty. Please hit a provisional ball if you think your original ball may be lost.
- **Out of Bounds:** If a ball is out of bounds you must re-hit from where you last played and take a 1 stroke penalty. Please hit a provisional ball if you think your original ball may be out of bounds.
